DETAILED ACTION

1. This is in response to applicant's amendment and argument filed 8/18/04, in which claims 1-36 are pending.

Allowable Subject Matter

2. After a further search and thorough examination of the present application and in view of the applicant's argument, claims 1-36 are found to be in condition for allowance.

3. The following is an examiner's statement of reasons for allowance: the prior art does not teach text message from sender to the mobile station of recipient who has a primary mobile station which receives voice and text message and at least one secondary mobile station having a unique calling number capable of receiving at least textual message and text message send to primary mobile station is directed to secondary mobile station. These limitations, in conjunction with all limitations of the independent claims, have not been disclosed, taught, or made obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
